

Red Card Gambling Support Project Ltd.

Providing a one-to-one personal service in gambling addiction

Impacts of Gambling Addiction:

Broken friendships

Broken marriages, or relationships, leading to divorce

Breakdown in family relationships

Loss of sleep

Change in personality

Anxiety

Panic attacks

Mood swings

Depression

Suicidal thoughts

Substance abuse – drugs & alcohol

Poor performance at work, potentially leading to loss of employment

Debt/bankruptcy

Criminal activity

Homelessness

Remember that if you decide to indulge in gambling activities, there is always that element of risk. You have no way of telling if you are going to be one of the unfortunate ones who will fall victim to addiction so why risk it ? The impact of gambling addiction can be devastating, so we all need to be fully aware of this fact.

Tony Kelly. [managing director]
